EDUCATION

Carnegie Mellon University, Heinz College, Pittsburgh, PA, USA **Expected May 2027**
Master of Science in Public Policy & Management - Data Analytics. GPA: 3.94
Concentration in Artificial Intelligence Management
Coursework: Generative AI Lab, Machine Learning for Public Policy, Responsible AI

Institut Teknologi Bandung (ITB), Bandung, Indonesia **August 2014 – July 2018**
Bachelor of Science in Information Systems & Technology GPA: 3.55
Coursework: Probability & Statistics, Enterprise Architecture, Database Modelling

SKILLS & CERTIFICATIONS

Programming: Python, SQL, PySpark, HTML, JavaScript
Databases: Hadoop (Cloudera Data Platform), PostgreSQL, MySQL, MongoDB
Data Visualization: Tableau, PowerBI, Looker, Python Libraries (Plotly, Seaborn, Matplotlib), Streamlit
Certifications: Generative AI - Google Cloud (2024), Amazon Web Services Technical Essentials (2018)

WORK EXPERIENCE

Geospatial Intelligence Intern - Urban Redevelopment Authority, Pittsburgh, PA, USA **Jun 2026 – Aug 2026**

- Developing spatial data pipelines and land-use analytics for Pittsburgh's urban planning team; applying GIS and Python to support evidence-based redevelopment decisions

Telkomsel (Southeast Asia's Largest Telco – 170M Users), Jakarta, Indonesia
Data Scientist II **March 2020 – July 2025**

- **Machine Learning:** Deployed econometric models for Telco Service Loan (Telkomsel Emergency Package); achieved 6% revenue increase; contributed to all time high revenue; developed an e-commerce install predictor with telco features using CatBoost, yielding 2.5× lift over random
- **Leadership:** Led data engineers to transform the Mobility Data Pipeline from a yearly to a monthly run, reducing delivery time from 4 days to 16 hours; led a multinational Singtel Group team to win Action for Change 2024 by building EcoFlow

Associate Data Strategist (Management Trainee) **August 2018 – February 2020**

- **Market Research:** Built the data team for a new business line, Consultative Insight, focusing on aggregated data monetization for ride-hailing clients, generating USD 11M in annual revenue
- **Analytics Segmentation:** Transformed programmatic advertising with advanced telco customer segmentation using browsing interest data; developed data features aligned with international standards (51 Interest Segment)

Market Intelligence Analyst – Lazada Indonesia, Jakarta, Indonesia **May 2017 – Aug 2017**

- **Growth Hacking:** Executed data-driven campaign for younger audience of e-commerce promo activation with significant CTR increase
- **Data Platform:** Spearheaded improvement of query system by implemented SQL within Google Sheets, replacing traditional formula for faster SKU look-up and data inventory management

PROJECT PORTFOLIO

BukuGambar.AI — Personal Project: bukugambar.ai **April 2025 – Now**

Crafted a web app that transforms text or photos into coloring-page outlines using the OpenAI API, inspired by playtime with my toddler

EcoFlow — Founder & Team Lead: ecoflow.id **August 2024 – July 2025**

Built EcoFlow, a geospatial-data venture: an AI-powered assistant that uses telco data to design crowd-aware itineraries, funded by the Telkomsel Innovation Incubator

tSurvey — Research & Insight: tsurvey.id **March 2022 – December 2023**

Established an audience-sizing engine and stratified sampling for survey data from 158M respondents using advanced statistical modeling and engineered a robust data pipeline from offline, image-based surveys into an AWS OCR pipeline, bridging offline data collection with analytics

SELECTED AWARDS

Global Participant, Build with Opus 4.7 Hackathon, 1 week invited only virtual hackathon (Anthropic) **2026**

2nd Winner, Pittsburgh AI Safety Hackathon, AI-use mass surveillance policy analysis (Carnegie Mellon **2026**

1st Place, Prompt-a-Thon, agentic AI ideation for corporate (Microsoft Indonesia) **2025**

LPDP Scholarship Awardee, full-ride scholarship to pursue master's degree (Indonesian Endowment Fund) **2024**

1st Place, AWS PRFAQ Challenge, company-wide innovation workshop (Amazon and Telkomsel) **2023**

Ganesha Karsa, highest university distinction for multiple competition wins (Institut Teknologi Bandung) **2018**
